

Amendment to the Event Management Guidelines: Expansion of Event Registration

Sponsors: Dan Freshman (IFC President), Steven Wald (IFC VP Judicial), Chris Sanders (Sigma Chi), Sean Donegan (Alpha Gamma Rho), Harry Shore (Kappa Delta Rho), Michael McLaughlin (Delta Phi), Mickey Katz (Alpha Epsilon Pi)

Whereas, the Interfraternity Council recognizes the challenges put forth to them by the revisions to the University Recognition Policy,

Whereas the Interfraternity Council recognizes that its constituent chapters should benefit from documents of clarity and transparency,

Whereas social events and recruitment events inherently need a clear distinction amongst one another,

Whereas the Interfraternity Council recognizes that different social events must inherently hold different expectations from one another,

Be it therefore resolved that the following criteria be added to the Event Management Guidelines (indicated in **bold**):

A. Types of Functions Permitted

2. 250 Over/Under Event *(formerly Non-Catered Invite)*

These events permit members to invite non-members as guests to registered facility, but attendance exceeds no more than 250 people, or the building's determined capacity, whichever is fewer. 250 Over/Under Events end at 1 AM, if not sooner.

7. Closed (150) Over/Under Event *(formerly Limited Non-Catered Invite)*

These events follow the same procedures and guidelines as a 250 Over/Under Event, but the attendance may not exceed 150. Non-member guests may be in attendance. Closed Over/Under Events end at 1AM, if not sooner.

8. Exclusive Mixer

These events are held between the registrant organization and a Greek or non-Greek letter organization. No other guests are to be permitted at these events. The capacity may not exceed 150 at any time. Mixers end at 1AM, if not sooner.

9. 1:1 Invite (e.g. formal, date night)

These events must be held to a strict 1:1 ratio, with the expectation that each member of the registrant chapter have a maximum of one guest in attendance. The capacity may not exceed twice the amount of total members in the registrant chapter. 1:1 Invites end at 1AM, if not sooner.
